Using the latest technologies, expertise and experience of the best specialists, and excellent knowledge of the industry, we are able to meet the most demanding expectations and provide a comprehensive, refined and unique product.

All machines presented in the offer are manufactured entirely in our factory in Poland.

The multi-faceted and extensive operations of the Bee-Fee Group place it firmly in the position of a leading Polish and European developer, game software producer and machines manufacturer. At the Bee-Fee Group we know that everything and anything is achievable with the right approach.

VIP

2 × MONITOR 49"
1 × MULTITOUCH
MONITOR 27"

INTEGRATED
